## Traffic Free Routes LCO – Consultation letter questions

What are your views on the general principle that legislative competence in the area identified in Matter 10.xx be conferred on the Assembly?

What are your views on the terms of the proposed Order? For example, are they too narrowly or too broadly drawn? If necessary how should the proposed Order be re-drafted and why?

Would the terms of the proposed Order allow for the development of traffic free routes in Wales (of the types discussed at the Committee's meeting on 3 July 2008) by means of Measures? If not, how would the proposed Order need to be re-drafted and why?

The proposal is "Provision imposing duties on highway authorities in Wales in relation to the development and maintenance of networks of highways for the use of users other than motor vehicles." What are your views on this?

Should the terms "development" and "maintenance" be defined within the matter?

Are any of the transport-related exceptions contained in Schedule 5 of the Government of Wales Act 2006 (for example in relation to Matter 5.10 (Learner Travel) also relevant to this proposal?
