Title of Report	Date Published
<p>The Education of Gypsy Traveller Learners</p> <p>This document reports the findings from Estyn's survey of provision made by schools and local authorities to meet the needs of Gypsy Traveller Learners. This included a review of the curriculum to meet the needs of Gypsy and Traveller children. The report also describes aspects of good practice across Wales.</p>	December 2005
<p>An evaluation of the quality and standards of initial training for part time youth workers in Wales</p> <p>A survey that evaluates the quality and standards of initial training for part time youth workers in Wales, and the extent to which this training meets the needs of staff from other youth support services</p>	December 2005
<p>Small Primary Schools In Wales *</p> <p>This paper examines the organisation and quality of education provided by small primary schools. It gives examples of the most effective working arrangements in small schools in Wales. The recommendations are intended to inform arrangements for the organisation and management of small primary schools by headteachers, governors, Local Education Authorities and the Welsh Assembly Government</p>	February 2006
