## **Education Lifelong Learning and Skills Committee**

**Meeting date: Wednesday 29 March 2006**

**Meeting venue: National Assembly for Wales**

**Title: 14 -19 Learning Pathways Action Plan 2006-2010**

### **Purpose**

1. This 14 -19 Learning Pathways Action Plan sets out the Welsh Assembly Government's response to the recommendations made by Christine Chapman AM in her report on 14 -19 published in November 2005. The Education and Lifelong Learning and Skills Committee is asked to note the wide ranging implications for learners, learning settings, communities and all aspects of the economy and the potential knock-on effects on health and well being and to support their implementation.

### **Background**

2. The 14 -19 Learning Pathways Action Plan has been developed in collaboration with merging organisations as well as existing Welsh Assembly Government Departments. The plan covers the period 2006-2010 and will be reviewed regularly.

### **Recommendation for the Education Lifelong Learning and Skills Committee**

3. The Education Lifelong Learning and Skills Committee is asked to comment on the wide ranging implications for learners, learning settings, communities and all aspects of the economy and the potential knock-on effects on health and well being and to support their implementation.
