Education Lifelong Learning and Skills Committee

Draft Forward Work Programme

Education Lifelong Learning and Skills Committee (Summer Term 2006)

Purpose

1. This paper invites the Committee to agree its work programme for the summer term 2006.

Background

2. Standing Order 9.9 requires Subject Committees to maintain a rolling programme that encompasses periods of at least 12 months and to report to Plenary on them.
3. The Committee approved its Strategic work programme for 2005-06 at the 20 April meeting 2005. However, the Committee needs to give approval to the outline programme that has been drafted for the summer term.

Draft Forward Work Programme

4. A draft forward work programme for the spring term is at Annex A

Recommendation

5. The Committee approves the work programme for the summer term.
