Dear Ms Barrett,

Following the Equality of Opportunity Committee meeting on 2 October 2003, one of the action points noted in the minutes of the meeting was for CRE Wales to provide a detailed note with a breakdown of cases it had dealt with by type, including public versus private sector employment cases.

Having researched back to our original legal files, we discovered that in 2003 CRE Wales received **23 employment** cases.

The following table indicates the number of Public versus Private sector employment cases in 2003.
