

Equality of Opportunity Committee

EOC(3)-13-08 (P2) Annex A Thursday 16 October 2008

Proposed consultation letter Annex A

Dear Colleague

Invitation to contribute to the inquiry

Submissions do not need to address all the above areas and the Committee welcomes written evidence from both individuals and organisations, including older people's groups. We will also be holding oral evidence sessions early in 2009.

Interested parties are invited to submit written evidence to the Clerk of the Committee at the address below, to arrive no later than Friday 19 December 2008. If possible, please supply an electronic version in MS Word or Rich Text format, either by e mail to equality.comm@wales.gsi.gov.uk or on a disk.

For your information, the Committee has invited submissions from those on the attached distribution list. They would be grateful if you could forward a copy of the letter to any individuals or organisations that are not included but might like to contribute to the review. A copy of this letter has been placed on the National Assembly's web-site with an open invitation to submit views.

Disclosure of Information

It is normal practice for the National Assembly to publish evidence provided to a committee. Consequently your response may appear in a report or in supplementary evidence to a report. The National Assembly will not publish information which it considers to be personal data.

In the event of a request for information submitted under UK legislation, it may be necessary to disclose the information that you provide. This may include information which has previously been removed by the National Assembly for publication purposes.

If you are providing any information, other than personal data, which you feel is not suitable for public disclosure, it is up to you to stipulate which parts should not be published, and to provide a reasoned argument to support this. The National Assembly will take this into account when publishing information or responding to requests for information.

Yours sincerely

Ann Jones

Chair, Equality of Opportunity Committee
