EOC(3)-15-08 (p3): 20 November 2008

Assembly Commission Accessible Information Policy

Purpose

At its meeting on 2 July 2008, the Committee was invited to comment on the Assembly Commission's draft Accessible Information Policy. Since then, External Communications are in the process of developing an Engagement Strategy covering all communications channels (web, publications, publicity material) and our approach to providing accessible information will be subsumed into this work. The Committee is invited to give any comments on our proposed approach to taking this work forward.

Background

A draft schematic of our proposed approach to the Engagement Strategy will be presented to the Equality of Opportunity Committee at the meeting for consideration.

Summary / Recommendations

The Committee is invited to note our proposed approach and offer any suggestions that we might take into consideration in taking this work forward.
