ADRODDIAD GAN Y PWYLLGOR DEDDFAU

LEGISLATION COMMITTEE REPORT

The Potatoes Originating in Egypt (Amendment) (Wales) Regulations 2001

Background

The Potatoes Originating in Egypt Regulations 1998 (as amended) implement a Commission Decision (as amended) regarding the control of the import of potatoes grown in Egypt. These controls have been imposed to protect against the introduction of harmful organisms.

The present regulations make further amendments to the 1998 Regulations in consequence of a further amending Commission Decision.

Standing Order 11.5

No points have been identified as matters in respect of which the Committee needs to invite the Assembly to pay special attention under Standing Order 11.5.

Attention is, however, drawn to the fact that the amendments which are now being made, came into force in England and Scotland on 30 November 2000.

General Observations

The paragraph numbering in both texts requires attention before publication.
