ADRODDIAD GAN Y PWYLLGOR DEDDFAU

LEGISLATION COMMITTEE REPORT

The Education (School Government) (Wales) (Amendment) Regulations 2001

Background

The Education (School Government) (Wales) Regulations 1999 contain detailed provision concerning the government of maintained schools and new schools under the framework established by the School Standards and Framework Act 1998.

The regulations presently under consideration make technical amendments to the 1999 Regulations.

Standing Order 11.5

Having had the opportunity of looking at an early draft of these regulations the legal advisers to the Committee were able to identify a number of points which have now been corrected in the final draft.

It is noted, however, that the coming into force date has not been included, either at the head of the regulations or in Regulation 1(2).

These omissions will need to be corrected and would be appropriate for inclusion in a Memorandum of Corrections.

Subject to an appropriate Memorandum of Corrections being laid before the Assembly, the Committee is able to report that no points are now identified as matters in respect of which it needs to formally invite the Assembly to pay special attention, under SO 11.5.

It is pointed out, however, that in addition to the corrections which are required to be made to the regulations as mentioned above, the coming into force date additionally needs to be inserted in the gap which has been left for it in the first paragraph of the Explanatory Note.
