ADRODDIAD GAN Y PWYLLGOR DEDDFAU

LEGISLATION COMMITTEE REPORT

The Care Standards Act 2000 (Commencement No.3) (Wales) Order 2001

Background

This Order appoints a day for certain provisions of the Care Standards Act 2000 to come into force.

It is understood that similar commencements are being made for England.

Standing Order 11.5

The draft Order does not have the commencement date inserted in article 2.

This is a matter which will need to be corrected and a Memorandum of Corrections would be appropriate for this purpose. Subject to a Memorandum of Corrections being duly laid for this purpose, the Committee is able to confirm that no points are identified as matters to which it would need to formally invite the Assembly to pay special attention, under SO11.5.

Attention is additionally drawn to the following small points which it is suggested should be corrected either in the Memorandum of Corrections or on printing.

Explanatory Note paragraph 2

The commencement date requires insertion.

Note as to earlier commencement

In the opening paragraph the W. and C. numbers should be inserted for SI 2001/139.

Article 2

The heading should refer to “day” in the singular.

Schedule

In the entry relating to section 23, the English text correctly represents the subject matter of the section as “National minimum standards”. But the corresponding provision in the Welsh text translates as “Required national standards”.

To be consistent with the other entries there should be something in brackets to indicate the subject matter of section 79(3) and (4).

In the entry for section 108 there is a superfluous full stop in the English text after “inspections”.
