**LEGISLATION COMMITTEE REPORT**

**The Central Rating List (Wales) (Amendment) Regulations 2001**

**Background**

These regulations amend the main 1999 Regulations so as to provide for installations used by specifically named gas transport undertakings to be entered in the central rating list, and treated for rating purposes as single hereditaments of each undertaker.

**Standing Order 11.5**

Having had the opportunity of looking at an early draft of these Regulations, the legal advisers to the Committee have been able to identify a number of points which have now been taken into account in this draft.
