LEGISLATION COMMITTEE REPORT

The Animal By-Products (Amendment) (Wales) Order 2001

Background

This Order amends the Animal By-Products Order 1999 (S.I. 1999/646) so as to prohibit the feeding to livestock of certain categories of catering waste whether that waste has been processed or is unprocessed. It also removes the possibility of non-mammalian animal by-products being rendered for the production of swill for feeding to pigs or poultry.

Similar provision is being made for England.

Standing Order 11.5

No points have been identified as matters in respect of which the Committee needs to invite Assembly to pay special attention.

General Observations

Explanatory Note – 3rd paragraph

Reference is made to 'Regulations' which is incorrect, as this piece of subordinate legislation is an Order. This should be corrected on publication.
