ADRODDIAD GAN Y PWYLLGOR DEDDFAU

LEGISLATION COMMITTEE REPORT

The Foot-and-Mouth Disease (Amendment) (Wales) (No. 8) Order 2001

Background

This Order amends the Foot-and-Mouth Disease Order 1983 as it applies to Wales.

This Order replaces Articles 24 and 34A (relating to animals on common land); and Articles 27 and 37C (relating to shearing and dipping of sheep).

The Articles 24, 27, 34A and 37C which are replaced were, themselves, inserted by the Foot-and-Mouth Disease (Amendment) (Wales) (No. 7) Order 2001 (SI 1874(W.134)).

A regulatory appraisal has not been prepared for this Order.

A detailed summary is to be found in the Explanatory Note.

Similar provisions have been made for England.

Standing Order 11.5

No points have been identified as matters in respect of which the Committee needs to invite the National Assembly to pay special attention.

General Observations

There are two typographical errors as mentioned below. Since the Order has already been published, the question should be raised with HMSO as to whether the issue of a

correction slip is appropriate and whether these points can be corrected in the annual volume.

Explanatory Note – 3rd paragraph

'27A a 37CA' should be '27 a 37C' in the Welsh text.

Footnote (b)

This is incomplete in the Welsh text.
