The Prescribed Waste (Wales) (Revocation) Regulations 2001

Background

These Regulations revoke the Prescribed Waste (Wales) Regulations 2001 (SI 2001/1506) (W. 104), which enabled the National Assembly to direct the holder of a waste management licence to accept and keep, or accept and treat or dispose of, the carcasses (or part of carcasses) of certain types of animal which had been slaughtered as a result of measures taken in connection with foot-and-mouth disease.

Standing Order 11.5
