ADRODDIAD GAN Y PWYLLGOR DEDDFAU

LEGISLATION COMMITTEE REPORT

The Education Development Plans (Wales) Regulations 2002

These regulations contain detailed requirements concerning the preparation of education development plans in pursuance of the requirement placed on every local education authority by the School Standards and Framework Act 1998.

Standing Order 11.5

Having had the opportunity of looking at an early draft of these regulations, the legal advisers to the Committee have been able to identify a number of drafting points which have now been taken into account. Accordingly, no points are now identified in respect of which the Committee needs to invite the Assembly to pay special attention.

There are, however, some typographical points which will need to be corrected before the regulations are made.

Welsh text – paragraph numbering

This requires revision throughout the regulations.

Regulation 3(1) – Definition of “interim year”

To accord with normal practice, parenthetical references to the equivalent Welsh terms should be inserted after “first interim year” and “second interim year” in the English text.

Regulation 15 – Welsh text

“grŵp” is misprinted.

440

Regulation 22(1)(c) – Welsh text

“gan” should be inserted before “yr”.
