ADRODDIAD GAN Y PWYLLGOR DEDDFAU LEGISLATION COMMITTEE REPORT

**The Sea Fishing (Enforcement of Community Satellite Monitoring Measures) (Wales)
Order 2000 Amendment Regulations 2002**

These amend the Sea Fishing (Enforcement of Community Satellite Monitoring Measures) (Wales) Order 2000 (SI 2000/1078) (W.71).

Standing Order 11.5

No points are identified in respect of which the Committee needs to invite the Assembly to pay special attention under SO 11.5.

General Observations

Statutory Instrument Practice requires that where an instrument implements Community obligations the relevant Community instrument should be cited in the explanatory note. Thus it would be desirable for the explanatory note to identify the Council Regulations for which the 2000 Order contains enforcement provisions and, as in the explanatory note to the England regulations (SI 2001/3912), a statement that the amendments are to improve the effectiveness of the monitoring procedures required by that legislation.

A typographical point has been noted in that the closing bracket after "1078" has been omitted in the first paragraph of the explanatory note.
