ADRODDIAD GAN Y PWYLLGOR DEDDFAU LEGISLATION COMMITTEE REPORT

The Care Standards Act 2000 (Commencement No. 11) Order 2002

This order has been made jointly by the Assembly and the Secretary of State for Health. It brings into force, in relation to England and Wales, section 102 and certain provisions of section 104, of the Care Standards Act 2000.

Standing Order 11.5

No points have been identified in respect of which the Committee needs to invite the Assembly to pay special attention.

General Observations

Table of Earlier Commencements

The table details the provisions which have been brought into force in England and, by implication, those which have been brought into force in England and Wales by SI 2000/2544. The table does not include the previous commencement orders which have been made solely by the Assembly, however.

If the Assembly orders were to be included in the main table, the wording presently at the end of the table should be moved forward to precede the table, as paragraph (c). If a separate table was used for Wales, however, the commencements effected by SI 2000/2544 would also need to be included.

Consideration should be given to rectification in the published version.
