**ADRODDIAD GAN Y PWYLLGOR DEDDFAU      LEGISLATION COMMITTEE REPORT**

**The Bovines and Bovine Products (Trade) (Amendment) (Wales) Regulations 2002**

The Bovine Products (Trade) Regulations 1999 give effect to EU controls relating to the “despatch” to third countries and member States of meat and meat products derived from bovine animals. They contain derogations from those controls in respect of UK meat and products eligible for the Date Based Export Scheme (DBES). The present Regulations amend the 1999 Regulations so as to permit the despatch of bone-in beef from premises approved under DBES to the domestic market.

**Standing Order 11.5**

No points have been identified in respect of which the Committee needs to invite the Assembly to pay special attention.

**General Observations**

**Explanatory Note**

In the final paragraph the Welsh text omits “Rheoliadol” (ie Regulatory) in referring to the regulatory appraisal.
