ADRODDIAD GAN Y PWYLLGOR DEDDFAU

LEGISLATION COMMITTEE REPORT

**The National Health Service (General Medical Services) (Amendment
No. 2) (Wales) Regulations 2003**

These amend Schedules 10 (drugs which may not be prescribed) and 11 (drugs which may only be prescribed in certain circumstances) to the principal regulations.

Standing Order 11.5

There are three minor drafting errors to which the Assembly is invited to pay attention –

1. The inclusion of “No. 2” in the title is not appropriate as there have been no previous regulations with the same title in 2003.
2. The opening wording of regulation 3 should read – “In Schedule 11 to the principal Regulations (drugs ...”.
3. Regulation 3(a)(i) should read “Acetylcysteine granules”.

The drafting lawyer had sought to correct these points but the version of the regulations submitted to the Committee (which is stated to be the laid version) does not have the corrections in it.

These matters would be capable of correction by means of a memorandum of corrections.
