LEGISLATION COMMITTEE REPORT

**The Town and Country Planning (Enforcement) (Written Representations Procedure)
(Wales) Regulations 2003**

These set out procedures for written representation appeals against planning enforcement notices.

Standing Order 11.5

No points are identified for reporting under SO 11.5.

Observations

Citation of powers – as indicated in the Statutory Instruments Manual, it was not necessary to have included section 93(2) of the Listed Buildings Act as that merely provides for regulations to be made by statutory instrument.

Regulation 2 – as the provision concerning section 39 of the Listed Buildings Act is not a defined term as such, the more usual practice would have been for this to be placed at the end of the alphabetical list.

Two very small typographical points have been drawn to the attention of the Legislation Management Unit.
