**LEGISLATION COMMITTEE REPORT**

### **The Care Homes (Wales) (Amendment [No.2]) Regulations 2003**

These amend the principal regulations so as to require additional information to be provided to persons in care homes.

#### **Standing Order 11.5**

The Assembly is invited to pay special attention to an apparent drafting defect in regulation 2(3). With the abolition of health authorities, it appears that the three “Health Authority” references in the inserted regulation 5A(4) and (5) should be “local health board”. This defect has been acknowledged on behalf of the Minister and will be appropriate for correction by memorandum of corrections.

#### **Observations**

##### **Regulation 2(2)(b)**

It is not normally considered necessary to amend punctuation in this way.
