ADRODDIAD GAN Y PWYLLGOR DEDDFAU

LEGISLATION COMMITTEE REPORT

**The National Assistance (Residential Accommodation) (Disregarding of Resources)
(Wales) Regulations 2003**

These make provision as to the resources which are to be disregarded by the local authority when deciding whether or not a person needs care and attention which would not otherwise be available to them.

Standing Order 11.5

No points have been identified in respect of which the Committee needs to invite the Assembly to pay special attention.

Observations

The footnote to the preamble should indicate how the regulation making function is vested in the Assembly. At present this information is in a footnote to regulation 1(3). The footnote should additionally refer to section 68 of the 2001 Act in relation to the effect of that section on the transfer of functions order.
