**LEGISLATION COMMITTEE  
REPORT**

**The Common Agricultural Policy Single Payment and Support Schemes  
(Wales)(Amendment) Regulations 2006**

These Regulations, make a number of minor amendments to the Common Agricultural Policy Single Payment and Support Schemes (Wales) Regulations 2005

**Standing Order 11.7**

The following point has been identified for reporting under Standing Order 11.7

Regulation 3(b) updates the definition in the 2005 Regulations of "Commission Regulation 796/2004". The updating was correct when drafted, but during the Assembly's legislative process, a further amending Community instrument 2184/2005 has been published. In order that these Regulations should be correct when made, the Memorandum of Corrections procedure should be adopted to enable the insertion to be revised. [Standing Order 11.7(v)]

**Observations**

Members may care to note that the current Legislative and Regulatory Reform Bill will, if enacted, make such updating unnecessary. Clause 27 will enable legislation made pursuant to section 2(2) of the

European Communities Act 1972 to refer to Community instruments "as amended from time to time".
