The Dairy Produce Quotas (Wales) (Amendment) Regulations 2006

These Regulations amend the Dairy Produce Quotas (Wales) Regulations 2005 ("the 2005 Regulations") by correcting errors and omissions and typographical errors identified in the 2005 Regulations. The 2005 Regulations currently prohibit the transfer of used quota; the amendment will prohibit the transfer of unused quota necessary to cover milk marketed before the date of transfer. Other amendments relate to the sending of annual returns to the Assembly and restore the penalty for purchasers who fail to submit accurate returns.

Standing Order 11.7

The following points have been identified under Standing Order 11.7

There is an inconsistency between the Welsh and English texts of regulation 7(b) which inserts a new regulation 36(2A) into the 2005 Regulations. The English text of the new regulation 36(2A)(b) refers to deliveries made to a purchaser whilst the Welsh text refers to deliveries made by a purchaser. [Standing Order 11.7(vi)].

This inconsistency may be corrected by Memorandum of Correction.

Observations
