The Official Feed and Food Controls (Wales) Regulations 2006

These Regulations revoke and re-enact with changes the Official Feed and Food Controls (Wales) Regulations 2005 (S.I. 2005/3254 (W.247)). They provide for the execution and enforcement in Wales of Regulation (EC) No. 882/2004 on official controls performed to ensure the verification of compliance with feed and food law, animal health and animal welfare rules.

Standing Order 11.7

The following points have been identified for reporting under SO 11.7.

In regulation 1, the English text provides for coming into force on "8 March 2006", whilst the Welsh text refers to "Ionawr 2006" [January 2006]. Standing Order 11.7(vi)]

In the definition of "y Darpariaethau Mewnforio" [the Import Provisions], the word "hyn" is required after "Rheoliadau" to indicate that the reference is to these Regulations, rather than to the Regulations. [Standing Order 11.7(v)]

In the definition of "Rheoliad 882/2004" [Regulation 882/2004], the words "yn cael ei wirio" [verification] should follow "anifeiliaid", which is the end of that element of the definition that

starts with "sicrhau bod". [Standing Order 11.7(v)]

In the definition of Regulation 1688/2005, the English text refers to consignments of meat, whilst the Welsh refers to "llwythi bwyd" [consignments of food]. Standing Order 11.7(vi)]
