The General Dental Services and Personal Dental Services Transitional and Consequential Provisions (Wales) Order 2006

This Order makes further transitional provisions relating to the transition from new primary dental services regime from 1 April 2006 in respect of the transition from general dental services and pilot schemes for personal dental services. The Order also makes consequential amendments and revocations. The Order was made on 28 March 2006 under the Executive procedure and came into force on 1 April 2006.

Standing Order 11.7

The Assembly is invited to special attention to these Regulations under Standing Order 11.7(viii).

The Order forms part of a suite of statutory instruments which underpin the new primary dental services regime. Previous reports have stated that discussions with Local Health Boards and the dental profession went on for longer than expected and that it was imperative that the reforms were to be implemented in England and Wales from 1 April 2006. In the circumstances the Minister agreed that the Order be made in English only.
