REPORT****The Seed Potatoes (Wales) Regulations 2006**

These Regulations control the production with a view to marketing, the certification and marketing of seed potatoes in Wales other than potatoes intended for export outside the European Community. They also give effect to European legislation relating to the marketing of seed potatoes for which an application for entry in the national catalogue has been made and the conditions on which seed potatoes may be marketed for test and trial purposes.

Standing Order 11.7
