**LEGISLATION COMMITTEE
REPORT**

**The Animals and Animal Products (Import and Export) (Wales)
(Amendment) Regulations 2006**

These Regulations amend the Animals and Animal Products (Import and Export) (Wales) Regulations 2006 (S.I. 2006/1536 (W. 153)) ("the principal Regulations"). They give effect to a change of date made by Commission Decision 2006/522/EC and make corrections to the principal Regulations identified in the Legislation Committee report (LC1330) on those Regulations.

These Regulations were made using the Executive procedure on 29 July 2006 and came into force on 1 August 2006.

Standing Order 11.7

The following points have been identified for reporting under SO 11.7.

These Regulations have been made in English only, as were the principal Regulations. [Standing Order 11.7(viii)]

The amendment made by regulation 2(8) to regulation 35 of the principal Regulations does provide the necessary clarity, but by making the insertion "before "of" " rather than "in place of "of" ", the effect is leave the substantive text reading ""Part IV of Schedule 8 to of these Regulations". [Standing Order 11.7(v)]

This is a minor drafting or typographical error that would have been appropriate for correction by a Memorandum of Corrections, but no further action is now considered appropriate.
