**LEGISLATION COMMITTEE
REPORT**

The Avian Influenza (Preventive Measures) (Wales) Regulations 2006

These Regulations revoke and replace the Avian Influenza (Preventive Measures) (Wales) (No.2) Regulations 2005 (SI 2005/3384 (W.268)) ("the Main Regulations") and the Avian Influenza (Preventive Measures in Zoos) (Wales) (No.2) Regulations 2005 (SI 2005/3385 (W.269)) ("the Zoos Regulations"), reflecting subsequent changes in European legislation.

This Order was made using a partial Executive procedure, having been approved in Plenary on 18 October 2006, but without prior consideration by the Legislation Committee. It came into force on 13 November 2006.

Standing Order 11.7

The following point has been identified under Standing Order 11.7

Regulation 8(2)(b) refers to regulation 8 of the Veterinary Medicines Regulations 2005. Those Regulations had been revoked by the Veterinary Medicines Regulations 2006. The reference should therefore have been to regulation 8 of the 2006 Regulations. [Standing Order 11.7(v)].

This is a minor drafting or typographical error that would have been suitable for correction by means of a Memorandum of Corrections.

Observation

Regulation 7(6)(b) refers to the Avian Influenza and Influenza of Avian Origin in Mammals (Wales) Regulations 2006. Those Regulations were revoked by (No.2) Regulations that were made on the 7th November 2006 and also came into force on 13 November. The reference in this regulation should therefore be updated to refer to the new Regulations when the opportunity arises.

David Melding AM

Chair, Legislation Committee
