REPORT****The Avian Influenza (Vaccination) (Wales) (No.2) Regulations 2006**

These Regulations transpose for Wales Council Directive 2005/94/EC on Community measures for the control of avian influenza (and repealing Directive 92/40/EEC) insofar as it deals with vaccination against avian influenza. They replace The Avian Influenza (Vaccination) (Wales) Regulations 2006

These Regulations was made using a partial Executive procedure, having been approved in Plenary on 7 November 2006, but without prior consideration by the Legislation Committee.

Standing Order 11.7

No point has been identified for reporting under SO 11.7.

Observation

The first cross-reference to a Community Regulation in paragraph 3(b) of the Schedule refers to 853/2004 in the English text and 852/2004 in the Welsh text. It is clear from the corresponding provision in paragraph 2(b) that it is the English text that is correct. The Committee agreed that this minor typographical error could be corrected on publication.
