The Feed (Specified Undesirable Substances) (Wales) Regulations 2006

These Regulations amend the Feeding Stuffs (Wales) Regulations 2006 ("the Feeding Stuffs Regulations") and the Feed (Hygiene and Enforcement) (Wales) Regulations 2005 ("The Feed Regulations"). The purpose of the amendments is to implement, in relation to Wales, various European Community Directives relating to undesirable substances in feeding stuffs.

Standing Order 11.7

The following point has been identified for reporting under Standing Order 11.7.

The text of these Regulations is bilingual, but the Schedules, (which are of a technical nature) are, apart from the headings, in English only. This follows the pattern of drafting adopted in the drafting of the Feeding Stuffs Regulations which they amend. [Standing Order 11.7(viii)]

Observations

The drafting lawyer has been advised of a minor typographical error which may be corrected on publication.
