The Fishery Products (Official Controls Charges) (Wales) Regulations 2006

These Regulations provide for the recovery by food authorities of a contribution towards the costs of carrying out official controls in respect of fishery products undertaken pursuant to EC Regulation 854/2004.

Standing Order 11.7

The following points have been identified under Standing Order 11.7.

The definition of "first placing on the market" is drafted by reference to Regulation 882/2204; the correct reference is 882/2004. [Standing Order 11.7(v)]

It is considered that regulation 2(3) should form the full-out words to regulation 2(2). [Standing Order 11.7(v)].

The cross-reference in regulation 13(4)(a) to paragraph (3)(a) should be to paragraph 3(b). [Standing order 11.7(v)]

These are all minor drafting or typographical errors suitable for correction by means of a Memorandum of Corrections.

Observations

In regulation 8 the numbering from paragraph (2) et seq has gone awry as a result of glitches in the drafting software. A similar point arises in respect of regulation 13(4). This may be corrected on publication.
