<p>ELL-02-04</p> <p>The Schools Having a Religious Character (Wales) Order 2003</p> <p>ELL-02-04 (cont</p>	<p>School Standards and Framework Act 1998 relates to the duty to provide religious education and collective worship in community, foundation and voluntary schools. Where a foundation or voluntary school has a religious character different requirements apply in terms of religious education, staffing, collective worship and admission arrangements to those applying to community schools and to foundation and voluntary schools without a religious character. Schools with a religious character are identified by virtue of their inclusion in an order. The Designation of Schools Having a Religious Character Order was made in 1999. This Order adds to the original list schools subsequently identified as having a religious character or new schools with such a character. Once the Assembly becomes aware that a school has a religious character, it has a statutory obligation to make an Order defining the religious character of that school.</p>	<p>March 2004</p> <p>Standard procedure</p>	<p>SO 22</p> <p>SMD</p>
