ELL-17-04 Education (School Lunches) (Prescribed Credits) (Amendment) (Wales) Order 2004	Clarifies the prescribed requirements for LEAs to provide school lunches (whether free or paid for) for nursery children in terms of the definition of full-time attendance. Children in maintained nursery schools are, under existing regulations, only entitled to a school lunch (whether paid for or free) provided they are full time. However, the existing regulations do not specify what is meant by full time and this has led to confusion over entitlement. The new Order will clarify that children must attend both morning and afternoon sessions and be present over the lunch period on the days they normally attend in order to be entitled to a school lunch.
