

Education and Lifelong Learning Committee

Date: 25 February 2004

Venue: Committee Room 2, National Assembly Building, Cardiff Bay

Scrutiny of European Union Legislation

Purpose

1. This paper informs the Committee about all the EU documents related to education and lifelong learning deposited in the UK Parliament since 28 January.

Action

2. The Committee is invited to consider the list of documents and decide whether it wishes to give further scrutiny to any of the items highlighted.

Background

3. The attached annex contains details of the EU documents related to equality matters deposited in the UK Parliament since 28 January.
