RDC(3)05-07 (p1):18 October 2007

Scoping paper for the Committee's second scrutiny inquiry

Purpose

To discuss the scoping paper for the Committee's second scrutiny inquiry into rural deprivation and service delivery.

Background

It has been proposed that the Committee's second inquiry should be into deprivation and service delivery in rural Wales.

The scoping papers at Annexes 1 and 2 set out the proposed scope of the inquiry and suggest ways in which the Committee could conduct the inquiry.

Recommendation

Members are invited to agree:

the scope of the study, including which services should be scrutinised;

the method of conducting the inquiry

Members are invited to consider:

content of the terms of reference;

potential witnesses
