

# Sustainability Committee

SC(3)-07-08 (p2): 10 April 2008

## Paper to note: Paper from EDF Energy on fuel poverty in Wales

### Purpose

This paper invites the Committee to note a paper from EDF Energy on fuel poverty in Wales.

### Background

The Committee invited the six largest energy supply companies operating in Wales to attend an evidence session on fuel poverty on Thursday 10 April. Of the six, only EDF Energy indicated that they would be unable to attend. EDF Energy has submitted a paper on fuel poverty in Wales, which can be found at Annex A.

### Recommendation

Members of the Sustainability Committee are invited to note the attached paper submitted by EDF Energy on fuel poverty in Wales.
