Chair of the Sustainability
Committee

24 February 2010

Dear Chair,

I am writing to let you know that we have laid the 2008/09 Sustainable Development Annual Report before the National Assembly for Wales on 23 February as part of our statutory duty under the Government of Wales Act 2006, and enclose a copy of the report.

This year's Sustainable Development Annual Report, which I enclose with this letter, features a range of actions that have been taken by Welsh Assembly Government departments since we launched the current Sustainable Development Scheme, One Wales: One Planet in May 2009. You will see from reading the report the excellent progress being made in fulfilling our vision of a sustainable Wales. I would like to thank you for your continued commitment and hope that we can work together in future years to identify how we can enhance the long term economic, social and environmental wellbeing of people and communities in Wales.

Yours,

Jane Davidson AM
