

Sustainability Committee

SC(3)-13-09 (p2): 1 July 2009

Sustainability Committee Inquiry into Flooding""

Purpose

1. This paper invites Members to consider the evidence submitted as part of the Committee's inquiry into Flooding.

Background

2. At its meeting on 29 January 2009, the Committee agreed to undertake an inquiry into flooding. This inquiry was formally launched on 29 April 2009.

3. During the course of the inquiry, the Committee asked people to submit evidence on how flooding affected them through videos, pictures and written accounts. The evidence gathered has been attached at Annex A

Recommendation

4. Members are invited to note the evidence submitted as part of this inquiry and discuss the emerging issues.
