

Sustainability Committee

SC(3)-14-09 (p5): 15 July 2009

Sustainability Committee Inquiry into Access to Inland Water: Draft Terms of Reference and Consultation Letter""

Purpose

1. This paper invites Members to consider the terms of reference and consultation letter for the Committee's scrutiny inquiry into Access to Inland Water.

Background

2. At its meeting on 24 June 2009, the Committee considered a scoping paper on flooding and agreed to consider flooding as the topic for their next scrutiny inquiry.

Recommendation

3. Members are invited to agree the terms of reference and consultation letter for their flooding inquiry.
