### Subordinate Legislation Committee Report

**Under Standing Order 15.2 the Assembly is invited to pay special attention to the following instrument.**

**Title: The Animals and Animal Products (Import and Export) (Wales) (Amendment) Regulations 2007**

These Regulations amend the Animals and Animal Products (Import and Export) (Wales) Regulations 2006 (SI 2006/1536 (W.153)) (the "principal Regulations"), to take account of Commission Regulation (EC) No. 1266/2007 on implementing rules for Council Directive 2000/75/EC as regards the control, monitoring, surveillance and restrictions on movements of certain animals of susceptible species in relation to bluetongue. **Procedure: Negative** 1. These Regulations have been made in English only. Due to the urgency with which the Regulations had to be made to comply with Community obligations, the Minister determined that it was not reasonably practicable for them to be made bilingually. The principal regulations were also made in English only. [Standing Order 15.2(vii)]
