**LEGISLATION COMMITTEE REPORT**

**The Care Standards Act 2000 (Commencement No. 9) (Wales) Order 2002**

This order provides for the commencement of provisions of the Act concerning social care workers, to the extent that those provisions empower the making of orders, regulations, rules and codes of practice.

**Standing Order 11.5**

No points have been identified in respect of which the Committee needs to invite the Assembly to pay special attention under SO 11.5.

**General Observations**

**Explanatory Note**

In the second paragraph the reference to “sections 59 and 60” may be misleading given that the provisions concerning registration which are commenced are sections 56 – 60.

**Title**

The English text title at the head of page 4 omits the word “Order”.

**Article 2(1)**

Although the order cannot have any effect in relation to section 64(1) it would have been preferable for the reference to section 61 to have excluded this subsection given that it is only of relevance in England.
