ADRODDIAD GAN Y PWYLLGOR DEDDFAU

LEGISLATION COMMITTEE REPORT

The Environmental Protection (Restriction on Use of Lead Shot) (Wales)
Regulations 2002

These prohibit the use of lead shot for shooting with a shot gun in circumstances detailed in regulation 3. Although the provision now made is the same as in the revoked regulations, the regulations have been re-made in consequence of the discovery that the statutory consultation requirements were not correctly fulfilled in relation to the earlier regulations.

Standing Order 11.5

No points are identified for reporting under SO 11.5.
