

Date: Wednesday 3 July 2002

Venue: Committee Room 3 & 4, National Assembly for Wales

Title: Review of Services for Children with Special Health Needs

Purpose

1. The Committee is to finalise its consideration of the evidence it has received in writing, orally and through the review of literature, reach conclusions and make recommendations.

Issues to Consider

2. The Committee has considered the evidence at its meetings on 15 May and 19 June, (papers [HSS-11-02\(p2\)](#); [HSS-11-02\(min\)](#) and [HSS-13-02\(min\)](#)). The Committee asked for further information on child surveillance, the draft report "Health for all Children" and the school nursing service. This is supplied in papers [HSS-15-02\(p5\)](#) and [HSS-15-02\(p6\)](#) respectively.

3. Members will wish to reconsider their preliminary conclusions and recommendations in the light of these papers.

4. The Committee's views are also sought on the drafting of the report. It is proposed that this be done over the summer recess and that it be put on the agenda for the first committee meeting in the autumn.
