ADRODDIAD GAN Y PWYLLGOR DEDDFAU

LEGISLATION COMMITTEE REPORT

The TSE (Wales) Regulations 2002

These make provision for the administration and enforcement of Community regulations and the continued implementation of a Council Decision, in relation to TSE (transmissible spongiform encephalopathies). These provisions cover matters concerning the examination, slaughter and handling of animals, the production of animal feed, and the handling and use of risk material.

Standing Order 11.5

Having had the opportunity of looking at an early draft of these regulations the legal advisers to the Committee have been able to identify a number of points which have now been taken into account. Thus no points arise in respect of which the Committee needs to invite the Assembly to pay special attention under SO 11.5.
