ADRODDIAD GAN Y PWYLLGOR DEDDFAU LEGISLATION COMMITTEE REPORT

**The National Health Service (General Medical Services) (Amendment) (Wales) (No. 2)
Regulations 2002**

These amend the main 1992 regulations which regulate the terms on which doctors provide general medical services under the National Health Service Act 1977. These amendments implement provisions of the Health and Social Care Act 2001.

Standing Order 11.5

The drafting has taken account of points reported by the Joint Committee on Statutory Instruments on the equivalent England regulations (SI 2001/3742). Additionally, having had the opportunity of looking at an early draft of these regulations, the legal advisers to the Committee have been able to identify other points which have now been taken into account.

Accordingly, no points are identified in respect of which the Committee needs to invite the Assembly to pay special attention.

Observations

Typographical points have been identified in both the English and Welsh texts. Marked copies of the SI have been made available to those responsible for the drafting.
