**The Plastic Materials and Articles in Contact with Food (Amendment) (Wales)
Regulations 2002**

These make detailed technical amendments to the main 1998 regulations.

Standing Order 11.5

It is understood that in consequence of final revisions to the England regulations, on which these regulations are based, the following amendments are to be made by memorandum of corrections.

1. Section 31 of the 1990 Act is to be added to the enabling powers.
2. The preamble is to include a recital that consultation has taken place in compliance with Regulation (EC) No. 178/2002.
3. The provision which regulation 11 inserts as regulation 8B(3) is to be omitted.

These matters are appropriate for correction by means of a memorandum of corrections. Accordingly, subject to an appropriate memorandum being duly laid, there are no points to which the Committee needs to invite the Assembly to pay special attention.
