

Policy Review

Community Regeneration

Terms of reference

The terms of reference of the review are:

To consider:

- the policies and programmes aimed at community regeneration which have been adopted by the National Assembly and its sponsored bodies with a view to making recommendations for streamlining the existing programmes and improving the arrangements for delivery;
- the financing for those policies and programmes;
- the role of partnerships in developing community regeneration;
- what further issues the Committee should address on other aspects of the community regeneration agenda, taking account of the work that has been undertaken for the *Communities First* programme.
