3. Calls upon the Welsh Government to guarantee that the current lockdown is the last, by ensuring that:
 - a) Wales has an adequate test, trace and isolate regime and provides facilities to allow individuals to totally isolate themselves from all face-to-face contact.
 - b) NHS Wales has a greater number of critical care beds, with ICU beds per capita closer to that of Germany or the US, both of which have seen fewer deaths per capita than Wales.
4. Further calls upon the Welsh Government to end the postcode lottery of business support, ensuring that all Welsh businesses forced to close as a result of the Welsh Government's action plan are adequately compensated.
