Financial Implications of Regulated Mobile Home Sites Bill

Dear Ann,

As you will be aware, the Finance Committee recently considered a paper on the financial implications of the proposed Regulated Mobile Home Sites Bill and agreed to send it to your Committee for consideration.

You will recall from our discussion in Finance Committee, our report on the Welsh Government's Draft Budget recommends (Recommendation 5) that:

“the committees of the National Assembly for Wales ensure that financial scrutiny of legislation explores cost issues in depth, and how they may impact on the budget either through additional costs, or by generating savings.”

I look forward to the Communities, Equality and Local Government Committee taking up this recommendation in its scrutiny of the bill.

Yours sincerely,

Jocelyn Davies AM
Chair, Finance Committee
